Famous in antiquity as the home of the oracle of Apollo, it is here where the Oracle representing the revered god Apollo presided over the ancient world. Perched on a mountain slope overlooking olive trees and the sea, Delphi continues to radiate as you marvel at the impressiveness of the site even in ruins. Visit the Delphi Museum, which houses valuable pieces of art including the bronze Charioteer, one of antiquity's greatest statues. Following lunch at a local restaurant, there will be free time to explore. Return to the hotel late in the afternoon. (B,L,D)

Day 7 Kinetta Enjoy a day at leisure and relax at the hotel, or take an optional tour to Olympia. A full day excursion will take you to the majestic site of Olympia, where the first Olympic Games took place 2800 year ago. Today, a UNESCO World Heritage site, Olympia is also home to the ancient Sanctuary of Zeus - a vast expanse of well-preserved altars, temples, theaters, and marble statues. Highlights of the site include the Temples of Hera and Zeus, the Council House and the Treasuries, while the Archaeological Museum houses exquisite sculptures such as the statues of Praxiteles and Hermes. (B,L,D)

Tonight, enjoy a group dinner. (B,L,D)

Day 9 Athens - Santorini Enjoy your breakfast and transfer to the airport of Athens for a flight to the volcanic Island of Santorini. Upon arrival on Santorini, transfer to your hotel for check-in. Remainder of your afternoon is at leisure to admire the spectacular caldera with white washed houses perched on the edge, created by the eruption of the islands' volcano in ancient times. (B)

Day 10 Santorini - Island Tour with wine tasting Begin your tour after breakfast by visiting the Monastery of Profitis Ilias which is at the highest point on Santorini and spans to 1,856 feet at the summit. From here you can see the surrounding islands and, on a clear day, the mountains of Crete, more than 100 km (66 mi) away. Continue to Pyrgos, which can be found at the highest

point of Santorini, with panoramic views of the whole island all the way to the village of Oia. This hillside village was declared a protected settlement in 1995. Afterwards you will visit the Koutsoyannopoulos wine museum - the only one of its kind in Greece. The museum occupies a natural cave. It is eight meters below ground, 300 meters long and has a labyrinth-like shape and presents the history of wine and the life of vine-growers in Santorini since the 1600s. You will have the opportunity to see representations of the history of wine and taste four of the best wines the winery produces today, in a specially designed winetasting area. Then you will visit Oia, a traditional settlement in the north of Santorini. The beauty of Oia is unsurpassed. In fact, it is almost impossible to describe in words. Small white houses tier the hillside, interspersed by splashes of rich okra, deep fuchsia, cobalt blue, oyster pink and earthy red. Oia is one of the most photographed places in Greece. It has inspired artists, poets and every visitor who visits Santorini. Oia is best known for breathtaking sunsets; if truth be told, sunrise in Oia is also magical. The afternoon will be leisure time to relax or shop until you drop. (B)

Day 11 Santorini to USA After breakfast, transfer to Santorini airport for your flight to Athens, connecting to your return flight home. (B)

Due to airline scheduling, an additional night may be required returning to the USA a day later.
