<b>Population Fully Vaccinated:</b>	53%	49.2%

*Statistics from this website are updated once a week (Wednesday).*

**County Response Actions:**

- A second COVID-19 vaccine clinic was held at NIACC this week.
- CG Public Health has been in contact with local pharmacies to plan for administration of booster dose vaccine. 3<sup>rd</sup> doses will be available at most local pharmacies as well as public health.
- CG Public Health continues to work with school districts to provide information in regards to quarantine & isolation protocols.
- Public Information Officer has developed messaging centered around FDA approval of the Pfizer vaccine to continue to promote vaccine uptake in the community. This was disseminated via social media and radio campaigns.
