The Music Man on Broadway

Tuesday, August 9

This morning, fly to the “Big Apple” from the Mason City Municipal Airport, and upon arrival meet your local guide and luxury coach. On your way to your hotel, enjoy an orientation tour of Midtown Manhattan, highlighting wonderful art, architecture, and the history of Rockefeller Center! Admission is included to the The Top of the Rock, the 70th floor observation deck above Rockefeller Center -- an ideal spot to say hello to the city that never sleeps.

Make your way to the modern, 4-star Millennium Broadway hotel, located in Times Square. You'll be in walking distance to all the theaters and sites, and right on your corner is “Good Morning America!” Later that evening, enjoy delicious food served family style at Carmines, arguably the most famous Italian restaurant in the Times Square area. This dinner is included in your tour fee.

Wednesday, August 10

Meet your local guide and board the luxury coach for a full day tour of Midtown and Lower Manhattan. You'll explore the neighborhoods of Chinatown, Little Italy, SoHo and Greenwich Village, as well as Fifth Avenue, Times Square and Central Park. Spend time at the National 9/11 Memorial while your guide explains the events of that fateful day and how the area has been transformed over the last twenty years. Visit Wall Street, The Bull, and take a walk on The High Line – and urban park in the air!

Dinner will be on your own tonight before attending “The Music Man” on Broadway in orchestra seats. Our native son Meredith Willson is sure to make us proud as Hugh Jackman and Sutton Foster bring his famous musical to life on the big stage! This evening will surely be an experience to remember!
