Business conducted at the meeting will include consistent agenda items such as call reports, reviewing of the points, and "Talk of the Town". Additional agenda items will be added by the team captains.

Chair Responsibilities

The Chair of the Ambassadors is a position nominated by the Ambassadors and is held for the Chamber's fiscal year, October 1-September 30. Responsibilities include providing leadership to the Ambassadors, facilitating committee meetings, and coordinating the Ambassadors at signature events and ribbon cuttings.

Ambassador Teams

At the start of each fiscal year (September-August), the Chair will choose three Team Captains to serve as leaders. Each Ambassador will be assigned to a team. Each Team Captain will encourage participation among its members and reach out to Ambassadors who are not meeting expectations. At the end of the year, the team with the highest points will receive a bonus, in the form of Chamber Bucks!

Ambassador Team Calls

Each team is assigned a monthly call on a Chamber member who is celebrating a milestone anniversary. Team Captains will coordinate a meeting with the member within 30 days.

Team Call Guidelines

- Welcome the member and thank them for their commitment to the Chamber and for investing in their community. Discuss the nature of your call/visit. Invite new members to Chamber events, agree to meet them at the door, sit at their table and introduce them around the room.
- Ambassadors are prohibited from making hard core sales pitches while making a Chamber call. If the member initiates conversation about your service or product, it is then appropriate to keep the topic active.

Chamber FAQs

What is a Chamber of Commerce?

A chamber of commerce is a local association of business people organized to promote the welfare of their community, especially its commercial interests. It is a non-profit mutual benefit corporation of voluntary membership that invests time and money to carry forward programs relevant to members' needs, and that affect the orderly growth and development of the community.

How long has the Mason City Chamber of Commerce existed?

The Mason City Chamber of Commerce began in 1916. The Chamber of Commerce is presided over by a 20 person Board of Directors with the majority serving a voluntary 3-year term.

What is the mission of the Mason City Chamber of Commerce?

To promote progressive community and economic development to benefit Chamber members and the North Iowa Region.

Why should I join the Mason City Chamber of Commerce?

Because it will open the door to new business opportunities, essential business advice, information and expertise, extensive networking opportunities, training for you and your staff, as well as access to key decision makers for assistance in solving your business issues. The Mason City Chamber works daily to support a strong local economy, to develop an effective workforce to meet your future staffing needs and to create a business-friendly environment at all levels of government.

Is the Chamber a Part of City Government?

NO! This is a very common misconception. Although the chamber and the city are partners, the chamber is an organization of businesses and not part of city government. City government is a corporate body for a community; a chamber is a free standing, independent business organization.
